

## 10th Annual Hong Kong Ship Finance Forum

Thursday, 6th April 2017 Renaissance Harbour View Hotel

The 10th Marine Money Hong Kong Ship Finance Forum will be held on 6th April 2017.

#### https://www.marinemoney.com/forums/HK17/index

For ten years, Marine Money has chronicled the developments in Hong Kong shipping and ship finance. To mark our 10th Anniversary in Hong Kong, this year we will discuss the future vision for Hong Kong shipping, how Hong Kong can capitalise on China's far-reaching Belt and Road project, why the Hong Kong capital markets remain an opportunity for raising finance in Asia and how Hong Kong continues to act as a superconductor between China and the rest of the world.

Some of Hong Kong's major shipping personalities will share their experience and insights about how to establish and maintain a top-notch shipping company while high-ranking bankers from the likes of HSBC and Standard Chartered will shed some light on the future role of banking in ship finance and how to survive in a challenging market. Brokers and analysts will provide predictions of what is in store for 2017 and how to identify the best opportunities. It is often challenging markets that give rise to new opportunities and entrepreneurial initiatives that, through calculated but ambitious decisions, lay the ground work for the next best thing. Hong Kong remains a resilient pocket of savvy shipowners, ship managers, financiers, accountants, lawyers, brokers and investors, and we are confident that the 'can-do' attitude and perseverance that is the cornerstone of Hong Kong's spirit, will see Hong Kong shipping once again thrive in these volatile markets
