

HONG KONG MARITIME WEEK 2017

WELCOME to our fifth e-bulletin of the **Hong Kong Maritime Week (HKMW) 2017!**

Hong Kong Maritime Week (HKMW) is just around the corner! An annual signature event in the maritime industry, HKMW will be held from 19 – 26 November 2017 consisting of nearly 50 events organised by 57 local and overseas organisations.

As a renowned international maritime centre, Hong Kong's high value-added maritime services are well-developed. At HKMW, multifarious activities relating to professional maritime services will be held, covering topics in maritime law and arbitration, ship finance and insurance as well as ship management. Some latest maritime technologies will also be explored by experts in the field. Don't miss this great opportunity for professional exchanges and collaborations with international and local industry luminaries and practitioners!

Besides, there are various fun-filled activities for all to enjoy. The Watersport Fun Day, Pi's Adventure in Victoria Harbour, Tug Boat visits and Family Fun Day are surely not to be missed! Events tailor-made for students and young people are many, such as School Visits to Hong Kong Maritime Museum, Maritime Services Training Institute Open Day and Career Tips in Maritime and Logistics Industries. HKMW has something for everyone!

To kick off HKMW, an opening ceremony cum orienteering race will be held at Sun Yat Sen Memorial Park at 9.00am on 19 November 2017. Against the scenic backdrop of Victoria Harbour, we are honoured to have the presence of distinguished guests, industry leaders and practitioners as well as the participation of over 700 racers to mark this very special occasion. We look forward to seeing you at HKMW 2017! [Details!](#)

Event Highlights

Forum on the Development of Shipping-related Financial and Insurance Services in Hong Kong 24 November (Friday) 3:00pm-6:00pm

Jointly organised by Hong Kong Financial Services Department Council and Hong Kong Maritime and Port Board, the forum consists of 2 panel discussions with the topic title of “Hong Kong’s Maritime Leasing Industry: Issues, Challenges, and Opportunities” and “Marine Insurance – Past, Present & Future”. Maritime and financial experts will share their views and insights on the business opportunities of the shipping-related financial and insurance services in the maritime sector. [Details!](#)

Blockchain for Shipping & Logistics 21 November (Tuesday) 5:00pm-9:00pm

The conference will introduce the blockchain concept and distributed ledger technology to the Hong Kong shipping community. The innovation of blockchain technology could help save billions of cost in the shipping and logistics industries. Experts in the field will also examine the legal implications that may arise from the blockchain technology and smart contract technology, in addition to specific use on trade documentation, trade finance, cargo tracking and provenance. [Details!](#)

Forum on e-Cargo Power 25 November (Saturday) 9:00am-12:30pm

The rise of e-commerce has transformed the global retail business and led to growth in sales in the cross-border sector. How to gain a competitive edge in the rapidly-growing e-commerce market? Forum on e-Cargo Power may shed some lights on this. Speakers of the Forum will share their knowledge, views and experiences in China, Hong Kong and overseas markets. Open to public, the forum will take place at The Hong Kong Polytechnic University. [Details!](#)

Maritime & Logistics Hackathon 2017 24 November (Friday) 8:00pm - 26 November (Sunday) 1:00pm

“Ready, Set, CODE”! For university students who enjoy challenge and data analysis, this hackathon is the perfect platform to put creativity into action. Shipping data will be provided to participating teams to build a business model or application within 40 hours. Winners will be assessed based on their creativity and practicability of the business model created. [Details!](#)

Maritime Career Expo 25 November (Saturday) 11:00am-7:00pm

Held at the Hong Kong Maritime Museum, the Expo will gather 15 shipping and tertiary educational organisations with human resources and industry experts to share industry information, interview tips and seafaring adventure stories. There will be free admission to the Museum on 25 and 26 Nov (Sat and Sun)! [Details!](#)

Boost business opportunities through technology in the Marine and Logistics Industry

21 November (Tuesday)

2:30pm-5:30pm

The half-day seminar at Hong Kong Productivity Council by renowned industry leaders and experts will illustrate the latest technologies in logistics and the benefits to the industry stakeholders, which would be insightful to all of you! [Details!](#) 

Get-Together Session

Mr. David Cheng, Chairman of Promotion and External Relations Committee of Hong Kong Maritime and Port Board

A “HKMW Get-Together Session” was held by the Hong Kong Maritime and Port Board on 17 October. All the event organisers were invited to give a brief highlight on their events. The Session provided a good networking opportunity for our organisers to get to know each other.

Mr. David Cheng, Chairman of Promotion and External Relations Committee of Hong Kong Maritime and Port Board, was invited to give a welcoming remark to be followed by individual presentation by event organisers. Refreshments were served after the presentation where organisers were invited to catch up with each other!
