

# HONG KONG MARITIME WEEK 2024

## 香港海運週 11.17-23

### “NAVIGATING TO A GREENER FUTURE”

With green shipping emerging as a significant global trend within the maritime industry, “Navigating to a Greener Future” has been adopted as the main theme of Hong Kong Maritime Week (HKMW) 2024. This theme underscores the strong commitment of the Hong Kong maritime industry to sustainability and environmental responsibility, highlighting the critical need for reducing carbon emissions and promoting eco-friendly practices. A variety of activities in HKMW 2024 are closely aligned with this main theme, including:

- **Hong Kong - UK Shipping Forum: Managing Intervention in Global Shipping** on 19 November, organised by UK Shipping Concierge, Maritime & Coastguard Agency, Maritime London and British Consulate General Hong Kong
- **Xinde Marine Forum Hong Kong 2024** on 20 November, organised by Xinde Marine News
- **From Waste to Wealth: Unlocking Investment Opportunities in Ship Recycling** on 22 November, organised by International Maritime Organization

### “BELT AND ROAD DEVELOPMENT”

HKMW 2024 features a total of 13 activity themes, with “Belt and Road Development” being a new addition this year. Activities under this theme will shine a spotlight on the vital role of the maritime sector in enhancing trade, connectivity, and cooperation across the diverse corridors and maritime routes encompassed by this ambitious initiative. Planned activities include:

- **World Maritime Merchants Forum 2024** on 18-19 November, organised by China Merchants Group, Transport and Logistics Bureau of The Government of the Hong Kong Special Administrative Region, Baltic and International Maritime Council, International Chamber of Shipping and Hong Kong Shipowners Association
- **Reinforce Hong Kong's Status as an International Shipping Centre by Maritime Arbitration, Maritime Finance, and Maritime Insurance** on 19 November, organised by AALCO Hong Kong Regional Arbitration Centre

### HIGHLIGHTED ACTIVITIES FOR THE PUBLIC

In addition to industry events, HKMW 2024 has also prepared public activities suitable for the whole family! On 23 November, don't miss the **Hong Kong Maritime Week 2024 - Free Family Fun Day** at the Hong Kong Maritime Museum. Dive into fun-filled family activities like game booths, movie screening, marine science talks, etc. Educational experiences like a tugboat tour will give you a closer look at life on the water. Also on 23 November, the **Adventure in Victoria Harbour**, hosted by the Maritime Professional Promotion Federation, will take you through modern port facilities, offering a deep dive into the city's vital contributions to global shipping.

For those interested in the inner workings of the maritime world, please mark your calendars for **Pilotage Operation** on 19-20 November, organised by Hong Kong Pilots Association Limited. Explore port facilities, witness skilled pilots boarding vessels, and get a firsthand view of the intricate world of pilotage operations!

On 22-23 November, the Maritime Services Training Institute (MSTI) opens its doors for an action-packed **MSTI Open Day 2024**. Take part in thrilling demonstrations, including:

- Maritime firefighting drills
- Personal survival drills
- Navigating a simulated ship around Victoria Harbour
- Trying on firefighting gear
- Learning knot-tying techniques

The excitement doesn't stop there! The **2024-2025 STEM x Marine Vehicles Design and Construction Competition** will be launched on 20 November. This competition is organised for primary and secondary school students to promote the maritime industry and cultivate innovative talents through the design and construction of models.
